

Beverly Black, MHSA, CAE

Beverly L. Black joined the Board of Directors of the National Commission on Certification of Physician Assistants (NCCPA) in January 2018 as a Public Director at Large. She is Chair of the CEO Compensation Committee and is a member of the Board Development Committee and Bylaws Work Group.

Black, an association consultant, has over 20 years of managerial experience with national, statewide and community-based programs in nonprofit, health-related and educational associations and organizations. For 27 years, she worked for the American Society of Health System Pharmacists (ASHP) and last served as its director of affiliate relations. There, she helped 52 state affiliates become and remain optimally effective associations. She previously held senior-level positions with the Georgia Pharmacy Association and American Society of Hospital Pharmacists.

Black brings an abundance of board experience to NCCPA, having served on the American Society of Association Executives Certified Association Executive Commission and having led the boards of the Georgia Society of Association Executives (GSAE) and its foundation.

She received a Bachelor's in Education from the University of North Carolina at Chapel Hill and a Master's in Health Services Administration from The George Washington University. She is a member of the American Public Health Association and the American Society for Training and Development. She has maintained her CAE (Certified Association Executive) designation since 1998.
