

Sheila Mauldin, MNM

Vice President, Research and Exam Programs

Sheila Mauldin joined the NCCPA staff in 1984. Her areas of responsibility include exam development, psychometrics, exam administration, and research. Mauldin is an active member in the credentialing and assessment community, serving on committees with the Institute of Credentialing Excellence and the Association of Test Publishers. She is an NCCPA liaison for the NCCPA Health Foundation's Partners in Mental Health Steering Committee. Throughout her tenure with NCCPA, Mauldin has presented nationally on the PA profession and NCCPA certification initiatives at various PA and credentialing industry conferences.

Mauldin holds a Bachelor's Degree from the University of Georgia (Science) and a Master's Degree in Nonprofit Management from Regis University in Colorado.
