

Edward A. Amberg, MMS, MPH, PA-C

Edward Amberg joined the Board of Directors of the National Commission on Certification of Physician Assistants (NCCPA) in 2017 as a PA Director at Large. He is the Chair for the 2021 Board of Directors.

Amberg works as an Emergency Medicine PA at St. James Healthcare in Butte, Montana where he evaluates, treats and coordinates care for patients in the emergency room. Amberg holds a Certificate of Additional Qualifications in Emergency Medicine from NCCPA and several life support credentials.

Amberg holds professional memberships with the Montana Academy of PAs, AAPA and the National Registry of Emergency Medical Technicians. Outside the ER, he provides clinical instruction to students of Midwestern University and Rocky Mountain College, and volunteers with Montana Tech High School Medical Camp.

Amberg is a graduate of the Midwestern University PA Program and has been certified since 2009.
