

John Bradford, MPAS, PA-C

John Bradford joined the Board of Directors of the National Commission on Certification of Physician Assistants (NCCPA) as PA Director at Large in January 2018.

He has worked to improve health in resource-poor areas in some of the most remote and isolated areas across five continents.

Bradford spent two years as a Peace Corps Medical Officer in Malawi, Africa. He has also worked in Edinburgh Scotland, Kabul, Afghanistan and in the Pacific on Midway and Shemya Islands. He also lived and worked in the Solomon Islands. He has practiced in urgent care, general medicine, occupational health and emergency medicine in rural Montana, Wyoming and Alaska.

Bradford is a resident of Missoula, Montana, and currently splits his time between clinics in Yellowstone National Park and Prudhoe Bay region of Alaska. He will participate as a member of the Semester at Sea medical team for the fall 2018 sailing of the *MV World Odyssey*.

Bradford earned a nursing degree from Montana State University and a Master's Degree in Physician Assistant Studies from the University of Utah.
