Re: PANCE Fee Effective January 1, 2020

Greetings! With the end of 2019 quickly approaching, we are certain you and your students are engrossed in a wide array of professional and personal commitments and activities to close out the year, celebrate holidays, and kick off a fresh new year in 2020.

We wanted to provide you with one brief announcement regarding a slight fee increase for PANCE that will go into effect on January 1, 2020. The application fee for PANCE will increase from \$500 to \$550. **Regardless of whether graduates sit for the exam in 2019 or 2020, as long as their applications are submitted by December 31, 2019, they will pay the current \$500 fee.**

As a reminder, if you have submitted their graduation information to us, students may complete their applications for PANCE 90 days prior to graduation. We wanted to make you and your students aware of this slight increase so that they could submit their applications by the end of this year if it aligns with their graduation timeframe and if they choose to do so. Please pass this information along to your students, as appropriate.

If you have any questions, please don't hesitate to reach out to the Exam Administration team at [examadmin@nccpa.net](mailto:examadmin@nccpa.net). They are always glad to help with any questions you may have.

On behalf of NCCPA, thank you for all you do in preparing the next generation of PAs to embark on a rewarding career in the PA profession.

Best regards,

Sheila Mauldin, MNM
